

FY 2018 Application Form for Joint Development Research (Continued Plan)

Date:

YYYY / MM / DD

To : Director General of the National Astronomical Observatory of Japan

[Applicant]

Affiliated Institution:

Title/(If graduate student include year):

Name:

E-mail:

[Affiliated Institution Contact Information]

Address:

Telephone: (Ext.)

[Instructor] (Required for graduate students only)

Institution/Title:

Name:

I hereby submit an application in hopes of continuing the following joint development research.

*Fill out this form using 11 point font or larger.

Research theme		year () of ()-year plan
		Category of this application <input type="checkbox"/> Large-scale (5 million yen or more) <input type="checkbox"/> Ordinary (Less than 5 million yen)
Research objectives and purpose		

Necessity and significance of the joint research to be conducted with the National Astronomical Observatory of Japan (NAOJ)

Expenses provided by other parties

(Please state the details of any other grants you may hold, such as Grants-in-Aid for Scientific Research.)

Research plan

(Please state explicitly the relation between your research organization and the amount of research funds you are requesting; as well as the current state of preparation for the planned research. Please describe research progress during the previous year(s) and clarify annual plans for the completion of the research period.)

For Ordinary research plan applicants (Alternative plan, if any, in case that the amount granted is 50% or less of the requested amount)

For Large-scale research plan applicants (The reason why you are applying for a Large-scale research plan)

Is it necessary for the applicant's affiliated institution to implement the research funds themselves?

Yes/No (Please choose one and circle it.)

If "Yes" please provide the following information.

Name and section of the person responsible: _____

Contact information: TEL: _____ **E-mail:** _____

* In principle, the research funds for joint development research will be implemented at NAOJ. However, if compelling reasons are listed in the "Research Plan," it is possible to implement the research funds at the applicant's institution by entering into a joint research agreement with NAOJ. (This excludes cases where the research funds are used only for traveling expenses.)

Research achievements (Please give a progress report for this research during the previous year(s).)

(Published papers and presentations at academic conferences)

Research Organization (Please put a ● mark next to the person in charge of accounting.)					
Name	Affiliated Institution / Department / Division			Title/Graduate School Year	
(Representative)					
(Representative from NAOJ)					
(Research collaborators)					
<p>[Note] 1. Please fill in the name of a NAOJ research staff member for the person in charge of accounting. <u>It is not necessary to fill in this section if expenses are implemented by the applicant's affiliated institution.</u></p> <p>2. The person in charge of accounting can be the representative for the joint research from NAOJ. Even in this case, it is still necessary to fill in this section.</p>					
Requested expenses (Please fill in any expenses granted for previous years. If you wish to continue receiving research funds next year, please fill in the amount for 2018.)					
FY () (),000 yen	FY 2018	FY 2019	Total		
FY () (),000 yen	(),000 yen	(),000 yen	(),000 yen		
Details for requested expenses (FY 2018)					
* The requested expenses can only include those directly required for conducting the joint research. (Publication fees and traveling expenses for conferences cannot be included.) If you have estimates, please attach and submit them.
